Excerpts from the Association rules:

**§1 NAME AND REGISTERED OFFICE**

*The name of the Association is Puunjalostusinsinöörit – Träförädlingsingenjörerna – Forest Products Engineers r.y. and its registered office is in Espoo.*

**§2 LANGUAGES**

*In conducting its activities, the Association can use Finnish, English, and Swedish.*

**§3 PURPOSE AND ACTIVITIES**

*The purpose of the Association is to promote and support the professional skills of its members and to promote the development of the forest cluster as a whole by connecting professionals in the forest industry and related industries.*

*To fulfil its purpose, the Association*

- *seeks to make the industry more attractive*
- *influences university-level education relating to the industry and arranges in-service training*
- *arranges meetings, conferences, and presentations*
- *produces publications*
- *gives out grants and awards*
- *cooperates with other similar associations*

**§4.6 CORPORATE MEMBERS**

*An incorporated society whose activities fall within the industry specified in Section 3 may, upon application, be admitted as a corporate member of the Association. Each corporate member shall have the right, together with annual members, to propose new annual members to the Association.*

**§6 MEMBERSHIP FEES**

....

*The annual membership fee to be paid by corporate members shall be determined by the net sales of the corporation having its registered office in Finland.*
